Remarks

Well designed spacious four bedroom home in the heart of growing area of St Johns County. Enjoy a spacious entry with a front office space with doors; could also be a great kids play area or home gym. Great size family room and dining/ kitchen area is combined overlooking family area. Kitchen Island and plenty of storage and counter space for those who love to entertain or cook! Upstairs you will find an open loft area and all of the bedrooms. Large primary bedroom upstairs with en suite- two sink vanity, soaking tub, and stand up shower, with walk in closet. Three other secondary rooms share a hall bathroom. Wonderful size yard that is fully fenced, with open pavers and a screened section. Pets are welcome with approval. Enjoy the community amenities- pool, parks, playground and walking path.
